Dear KAI,

We would like to express our heartfelt appreciation for your gifts to date in 2023 totaling \$175.00 to Doctors Without Borders/Médecins Sans Frontières (MSF).

Your contribution helps ensure that our patients receive the urgent care they so desperately need, no matter their circumstances. In the last few months alone, support from caring donors like you has helped us respond to a range of emergencies in nearly 70 countries, including:

- In **Pakistan**, where we treated people suffering from a surge in waterborne and mosquito borne diseases like malaria, diarrhea, and dengue fever after devastating floods.
- In northwest **Nigeria**, you made it possible for us to respond to a catastrophic malnutrition crisis, treating over 100,000 children with acute malnutrition.

- In **Ukraine**, where our teams, in collaboration with Ukrainian Railways, have evacuated more than 2,000 patients from the front lines of the war.

Our work to deliver emergency care to people caught in these crises wouldn't be possible without the support of generous donors like you. Thank you for being part of our important lifesaving mission.

Very Gratefully Yours,

Avril Benoît
Executive Director
Doctors Without Borders USA, Inc.
