NOTICE: I understand that upon completion of an underwriting investigation, I may not qualify for a policy with United Farm Family Mutual Insurance Company, but instead I may be eligible for and offered a policy with UFB Casualty Insurance Company. I also understand that such policy may be subject to coverage modifications which will be described in the Declarations issued by UFB Casualty Insurance Company. I request that in such event, the UFB Casualty Insurance Company policy be issued effective on the date of application. Payment of any additional premium notice will constitute my acceptance of the UFB Casualty Insurance Company's contract for the policy period stated. If I reject the UFB Casualty Insurance Company policy, I understand and agree that I will be charged the premium for that policy from the date of this application, for the time it was in force.

NOTICE: As part of the quoting and underwriting process, we may obtain and review credit reports, motor vehicle records, investigative consumer reports and insurance scores based on such information for all applicants and named insureds. We may use a third party to obtain these reports and insurance scores.

PROXY: United Farm Family Mutual Insurance Company Members

I hereby appoint the Board of Directors of United Farm Family Mutual Insurance Company, and their successors in office, to be my lawful proxy and attorney in fact, and each is authorized to cast my vote and otherwise act on my behalf on any matter which may be put before the membership. This proxy will take effect upon policy inception and continue in force for the full period of that policy, or any other policy I have with the Company, unless revoked on thirty days' advance written notice to the Company Secretary.

I UNDERSTAND THAT the acceptance of a check, electronic fund transfer, electronic debit entry, or credit card charge is only conditional payment of any premium depending upon acceptance thereof upon presentment for payment at a financial institution and that this policy will not afford any coverage (a) for a loss which occurs prior to the date and time signed by the Applicant, or (b) if a check, charge or transfer tendered for payment is dishonored upon presentment. No agent or employee may waive this provision by action or agreement nor shall it be varied by any policy provision or Declarations issued subsequent hereto relating to coverage generally.

I have received a copy of this application and agree that the coverages fit my intentions and desires. I have reviewed my answers to all questions on this application and understand that issuance of a valid policy is dependent upon my truthful answers to all these questions. I understand that if an applicant makes any statement in this application that is: (1) false or incomplete; and (2) material to the risk insured, the Company has the legal right to VOID this policy without providing coverage.
