**INDIANA UNIVERSITY  
OFFICE OF THE REGISTRAR  
OFFICIAL TRANSCRIPT EXPLANATION**

Note: The following explanation reflects information found on the Indiana University **Official Transcript** produced from the Student Information System implemented Fall 2004. A transcript labeled **Official Record** is also an official transcript which has been produced from the prior student record system. While there is no difference in the way grade point averages are calculated in each format, the Official Record (old system) will not reflect as many of the grade point average summaries as are now available on the Official Transcript (current system).\*

**I. Grade and Credit Point System**

The following grades are considered in computing semester or cumulative grade averages. Plus and minus grades are computed in cumulative averages effective First Semester 1977-78. Course hours with a grade of "F" are counted when computing grade point averages but do not count toward the earned hours required for degrees.

A+	(4.0 Pts.)	B+	(3.3 Pts.)	C+	(2.3 Pts.)	D+	(1.3 Pts.)	WF	Withdrawn-Failing (0 Pts.)
A	(4.0 Pts.)	B	(3.0 Pts.)	C	(2.0 Pts.)	D	(1.0 Pts.)		(Discontinued First Semester 1977-78)
A-	(3.7 Pts.)	B-	(2.7 Pts.)	C-	(1.7 Pts.)	D-	(0.7 Pts.)	F	Failing (0 Pts.)

The following grades are *not* considered in computing semester or cumulative grade point averages:

AU	Audit - No credit (Discontinued 1965)
AX-DX	(Including plus and minus grades) Graded course subsequently retaken under the Extended-X Policy (effective Fall 1994 through Fall 2021) (See Retaken/Replaced Explanation below)
CF	Credited on Certificate (Discontinued 1965)
DF	Deferred (Discontinued 1965; Treated as Incomplete)
E	Conditional (Discontinued 1965; Treated as Incomplete)
EX	Exemption (Discontinued 1965)
FX	Course failed and subsequently retaken during or after First Semester 1976-1977 through Fall 2021 under the FX or Extended-X Policy (See Retaken/Replaced Explanation below).
I	Incomplete (Effective First Semester 1977-78, automatically changed to F after one calendar year; see also grade of R.)
NC	No Credit (Established 1971); replaced AUDIT (AU)
NR	No Report Submitted by Instructor (Used for unreported grades for prior semesters or course work that has not been graded for the current semester)
NY	Used to signify enrollment in a special program for which credit when earned will be shown as an ADDITIONAL entry on the permanent academic record.

O	Denotes an Incomplete in a course taught through Purdue University.
P	Passed (Pass/Fail Option) (The Pass/Fail Option permits graduate and undergraduate students to enroll in a course and receive a grade of P or F. Pass/Fail Option courses are normally limited to electives. The responsibility of approval, as well as special regulations affecting the Option, rests with the dean of the student's school or division under procedures the school or division establishes. Instructors are not notified of undergraduate students registering for this Option. A grade of P cannot subsequently be changed to a grade of A, B, C, or D)
R	Deferred (Effective First Semester 1977-78, used for course work that can be evaluated only after two or more semesters; such course work was previously graded with I.)
S	Satisfactory (entire class graded S or F)
T	Denotes credits transferred from another institution.
W	Withdrawn--Passing (Prior to Second Semester 1974-75, used to indicate withdrawal while passing. Effective Second Semester 1974-75, used to reflect students who withdraw while passing after the official Drop and Add Period.)
X	Passed Without Grade (Discontinued 1965; Treated as Satisfactory) Beginning Fall 2021, denotes a retaken/replaced letter grade (See Retaken/Replaced Explanation below)

**Repeated Courses**

Repeated courses may be counted in the student's primary program GPA (Student Program GPA), depending on the policies of the student's program. Repeated courses do not count toward the earned hours required for degrees unless the course is defined as repeatable for credit.\*

**Retaken/Replaced Explanation**

Beginning Fall 2021, per the ACA-66 Grades and Grading Policy, the historical FX and Extended-X policies were succeeded by an X (Retaken/Replaced) policy. Under the revised policy, both enrollments in the course remain on the transcript, but only an "X" is recorded on the transcript for the original course.

Courses that were retaken under the conditions of the FX Policy (effective First Semester 1976-77 through Fall 2021) or the Extended-X (effective 1994 through Fall 2021 Retaken Course/GPA Exclusion) Policy are noted with an "X" following the letter grade. Under these policies, both enrollments in the course and their grades remain on the transcript. These letter plus "X" grades may or may not be excluded from academic program credit hours and grade point averages depending on the policy of the student's primary program. Historically, only some Indiana University programs have honored the Extended-X Policy.\*

**II. Record Format**

The "Official Transcript" standard format lists course history, grades and GPA information in chronological order sorted by the student's academic level. The "Official Transcript with Enrollment" provides the same information as the standard transcript but also includes all courses in which a student is currently enrolled. "Official Transcript" or "Official Transcript with Enrollment" (without an academic level designation) indicates that the document contains all work completed at Indiana University. A student may also request a transcript of only those courses taken at the undergraduate, graduate, or professional (Law, Medicine, Dentistry, Optometry) level. In these cases, the title of the document will reflect the academic level represented. (Note: The graduate academic level may be subdivided into more than one "Graduate" grouping due to academic calendar differences.)

The **Student Program GPA** is calculated according to the rules determined by the student's primary academic program at the time of printing. This GPA is subject to change whenever the student changes programs. The cumulative Student Program GPA summary statistics are reflected at the end of each student career level and are based on the student's last active primary program at that level.

**III. Transfer, Test, and Special Credit**

Courses accepted in transfer from other institutions are listed under a Transfer Credit heading. Generally, a grade of "T" (transfer grade) is assigned and course numbers, titles, and credit hours assigned reflect Indiana University equivalents. Transfer hours with a grade of "T" are not reflected in the cumulative grade averages. However, the hours are included in the "Hrs Earned" field.

A course suitable for credit which does not parallel an Indiana University course at the campus of evaluation may be designated by a course subject followed by "-UN" (undistributed credit) and a number indicating an equivalent Indiana University course (class) level. For example, HIST-UN 200 represents a 200 (sophomore) level History course. Applicability of accepted transfer credit toward a particular degree is determined by the Indiana University school or division offering the degree program.

Credit awarded as a result of placement tests, credit by examination, or successful completion of a higher level course may be reflected as Special Credit with a transcript note or may appear as separately designated "Test or Special Credit." The total number of transfer and test hours on the record appears in a separate Transfer/Test Hours Passed category in the Student Program and Indiana Summary.

Note that there are exceptions to these general transfer credit policies related to transfer work from Purdue University campuses and Purdue Statewide Technology programs located on Indiana University campuses. For further details visit <https://transcripts.iu.edu>. Transcript Information.

**IV. Accreditation**

Indiana University is accredited by the Higher Learning Commission (<https://www.hlcommission.org>) (312-263-0456). Accreditation covers all courses and programs offered at all campuses of Indiana University. See the appropriate school bulletins for other accreditations.

**V. Validation**

A transcript issued by Indiana University reflects course work completed at any campus: Bloomington, Columbus (IUPUC), IU Fort Wayne, Gary (Northwest), Indianapolis (IUPUI), Kokomo, New Albany (Southeast), Richmond (East), South Bend. A transcript issued by Indiana University is official when it displays the Registrar's signature and the university's seal and is printed on Indiana University paper. The official university transcript is printed on SCRIP-SAFE paper and does not require a raised seal.
